Happy Mid-Autumn Festival with Mugiko Mooncake

In this year's Mid-Autumn Festival, Ravia was pleased to feature the mooncake box crossed over with Mugiko to our prestige clients. Mugiko was founded by Kit Mak, a chef, food critic and television personality in the famous TV show "Beautiful Cooking".

There is nothing typical about Mugiko's handmade mooncake. And each taste is like a treasure chest filled with delightful surprises. Ravia shares the same value as Mugiko and we hope this mooncake box brings our clients and their families a happy and heartwarming Mid-Autumn Festival!

瑞豐環球評估全力支持 陳偉豪的第二生涯規劃

Mr. Wai-ho Chan ("Wai-ho"), former captain of the Hong Kong football team, played for the Hong Kong team for over 100 matches in 17 years. The greatest moment is the achievement of a golden medal in 2009 East Asian Games. He also played for South China Football Club for more than 10 years and was the named captain in most of the games. During the times with South China Football Club, he won many local championships and individual awards. In 2018, Chief Executive's Commendation for Community Service was awarded to Wai-ho to give recognition to his outstanding contribution to Hong Kong.

MESSAGE FROM *WAI-HO*

Since Wai-ho is getting closer to football retirement age, he considers to change. He said, "apart from the football-related work, I also want to develop my career in other fields. The world is big. If I am only with football in my life, it will not be exciting enough. That's why I want to learn various knowledge and meet people in different areas to widen my eyesight. Therefore, I recently joined Ravia Global Appraisal Advisory Limited as a Business Development Manager. My main duties are to communicate with clients and satisfy their requirements. Ravia provides clients professional services including valuation of property, assets, intangible assets, financial instruments for corporate mergers and acquisitions, listing and accounting purposes. Our clients are mainly listed companies and assets management companies. This is my new attempt. I sincerely hope to overcome the new challenges and establish a successful model of athletes transformation.

SOCIAL RESPONSIBILITY – SPONSORSHIP

Ravia is joining as one of the helping hands with Filmko Entertainment Limited in presenting the Charity Gala Premiere – "Little Q". Directed by the Golden Horse Award Winner Mr. Wing-Cheong Law, the movie is starred by the film star Mr. Simon Yam, who acted as a grumpy pastry chef with visual impairment. People around him always wanted to help him, but he had repeatedly refused people's help. Until a guide dog named Little Q came to him, he gradually adapted and fell in love with the guide dog. The two of them relied on each other until Little Q died. This is a heartwarming story and it definitely give big inspirational message about love between human and animals.

The gala aimed at raising funds to support Hong Kong Guide Dogs Association ("HKGDA"), HKGDA's vision is to ensure people with disabilities to live with independence and dignity through the right choice of service dogs. Ravia would like to let more people know about seeing eye dogs and pay more attention to understand the needs of the physically or mentally impaired communities.

During the course, they shared professional knowledge and experiences with the legal practitioners.

The CPD course was concluded with a Q & A session and a wrap-up summarizing the key points covered in the course. We believe that we can help enhancing their professional knowledge and skills.
